- Developed full-stack web applications and RESTful APIs
- Implemented database solutions with PostgreSQL and Supabase

Teacher - Computer Science

| GD Goenka Public School, Jhajjar | April 2023 - March 2024

- Developed and delivered Computer Science lessons
- Implemented innovative teaching methodologies and assessments

EDUCATION

M.Sc. Computer Science

Maharshi Dayanand University, Rohtak | Aug 2020 - Aug 2022 | First Division

Skills: SQL, Python, C/C++, Java, Visual Basic

B.Sc. (General)

Maharshi Dayanand University, Rohtak | Aug 2016 - Jun 2019 | First Division

12th, Computer Science

Ganga International School | Jun 2015 - Mar 2016 | First Division

10th

Ganga International School | Jun 2013 - Mar 2014 | First Division

TECHNICAL SKILLS

Frontend: Next.js, JavaScript, Tailwind CSS, shadcn/ui, HTML

Backend: REST API, Resend, Supabase

Database: PostgreSQL, SQL, MySQL

Languages: Python, C, C++, Visual Basic

AI Tools: ChatGPT, Claude Code, Gemini, Meta AI, Cursor IDE, OpenCode

Tools: MS Office, VS Code, Vercel, GitHub, Gamma, Chatbots

PROJECTS

- Portfolio Website - Cosmic galaxy-themed portfolio, Next.js 16, deployed on Vercel
- Attendance Management System - Employee attendance management
- Banking Application - Account opening, balance enquiry

CERTIFICATIONS

- NSS Certificate
- Data Analysis and Visualization

ACHIEVEMENTS

- Dean's List - Outstanding academic performance in M.Sc. Computer Science
